

Kingdom Kids and Zone 56 COVID-19 protocol.

After talking and working alongside school administrators across several districts, local health officials, leadership and other churches, Kingdom Kids and Zone 56 will meet on Wednesday nights adhering to the following protocol:

Masks or face coverings will be required inside of the building. Temperature checks will be taken at sign in. Hand sanitizer will be available and should be used regularly. An isolation room will be available for children that have a high temperature to be held until their parents or caregivers can pick them up. Social distancing will be used when possible and is strongly encouraged.

The heart behind this decision is a desire to stand in solidarity with schools and local health officials.

For any questions, please contact Koerner Heights Church at 316-283-5696.
